

take, have
sleep together
make out
get laid, have sex
know, do it
do the deed
know intimately
have intercourse, relations
exchange of fluids
carousal, arousal
a casual carousel
of soft unreal
of now now now
have it away, have it off
undress, reveal
revel and raw appeal
get off, get on, get under
screw, fuck, jazz
eff, hump
lie with, sleep with
leave in the morning
walk of shame, slink away
no breakfast today
bed, bang
boom boom back to my room
eighties miscreant tune
get it on
take, leave
come on, come down
get down
down and dirty
down and desperate
mercy shag
shake and bake
back off
procreate
destroy, distort
take.
